

DISTRICT DISASTER MANAGEMENT PLAN

GURGAON

26th January, 2011

Rajender Kumar Kataria, IAS

Deputy Commissioner-cum-Chairperson,

District Disaster Management Authority,

Gurgaon District, Haryana

FOREWARD

District Gurgaon due to its peculiar location is in the high risk zone of natural Disasters like earthquake, draught etc. and due to its high profile social-economic development and massive urbanization is prone to high risk of manmade disaster like fire, road and rail accident, chemical disaster, terrorist attacks etc.

Realizing the necessity of a comprehensive, effective Disaster Management Plan and swift response mechanism to minimize loss of life and property and keeping in view, the provision of Disaster Management Act, 2005 and guidelines issued by N.D.M.A. and Government of Haryana, Revenue and Disaster Management Department, we have prepared this district Disaster Management Plan. I hope it will go a long way in strengthening the disaster response mechanism in the district and will help to mitigate the losses due to any kind of disaster in future.

I take this opportunity to express my deep appreciation for the commitment shown by Dr. Abhay Kumar Shrivastava and his team from HIPA for preparation of this Disaster Management Plan. I am also thankful to my team of various heads of department for providing the data and valuable inputs incorporated in preparation of Disaster Management Plan for Gurgaon.

Rajender Kumar Kataria, IAS

Deputy Commissioner-cum-Chairperson,
District Disaster Management Authority,
Gurgaon District, Haryana
